

2019 ascena Summer Internship Program

Experience is Everything

ascena retail group is America's largest specialty apparel retailer for women and tween girls. The company operates e-commerce websites and approximately 4,800 stores throughout the United States, Canada, and Puerto Rico. Over the past decade, the company has experienced tremendous growth, both organically and through key strategic acquisitions.

Through our collective of eight brands—including Ann Taylor, LOFT, Lou & Grey, maurices, dressbarn, Lane Bryant, Catherines, and Justice—we serve women and girls across generations, identities, affiliations and body types.

TECHNICAL DESIGN INTERNSHIP – Ann Taylor, LOFT, Lou & Grey

Detail-oriented. Precise. Organized.

The Technical Design Intern will assist the technical design team with the entire product process, from development through the production stage. The intern will sit in on fit sessions, take fit notes, create and update production spec packages, measure samples and work with the technical team on strategies to solve fit issues.

QUALIFICATIONS

- Critical eye for detail and proportion
- Strong measurement and technical skills
- Excellent communication and collaboration skills are a must

PROGRAM DETAILS

The ascena Summer Internship Program targets top university students for a future career in retail. This highly selective program offers participants an opportunity to explore the fashion industry, focusing on the Product Life Cycle. During the program, interns will gain exposure to the business through hands-on learning, executive exposure, team projects and so much more. Internships are paid, full time and run for 10 weeks.
