

**Are you looking for a fun and rewarding summer internship?** At PetSmart, we are committed to developing future business leaders. Join our **Merchandise Planning & Allocation** team this summer and thrive in a collaborative culture where being the trusted partner to parents and pets in every moment of their lives is priority number one.

**What you will do**

- Experience the Merchandise Planning & Allocation function of the leading pet specialty retailer firsthand as you work with teams of assortment analysts, demand planners, buyers and more to manage inventory levels for a specific category.
- Leave your “paw” print with a project designed to make a true impact on the business.
- Present your recommendations and innovative ideas to PetSmart leaders.
- Develop and grow your skills with the support of a caring manager and dedicated mentor.

**What’s in it for you?**

- 10-week paid summer internship!
- Connect and socialize with other PetSmart associates early in their career as part of the StartSmart associate resource group.
- Make a difference! Volunteer with your fellow interns during the annual “PetSmart Interns Give Back” day.
- Pet friendly environment, bring your pets to work!
- Enjoy our campus amenities: “Top Dog” gym fitness center, Dog park, Starbucks station, Sit&Stay Café

**What will you need?**

- Junior status pursuing a Bachelor’s degree in a retail discipline, business, or related field.
- Solid critical thinking ability and use of analytical skills.
- Ability to harness creative thinking and basic marketing concepts to explore innovative ideas or solutions.
- Excellent written and verbal communication.
- Must be able to produce work in a collaborative, team environment.

**What are you waiting for?** Apply today and use your passion for pets to jumpstart your career! For more information on opportunities with PetSmart, visit us at [careers.petsmart.com](https://careers.petsmart.com)
