Are you looking for a fun and rewarding summer internship? At PetSmart, we are committed to developing future business leaders. Join our **Product Development** team this summer and thrive in a collaborative culture where being the trusted partner to parents and pets in every moment of their lives is priority number one.

What will you do?
- Experience the Packaging Design function of the leading pet specialty retailer firsthand as you work cross-functionally with Product Development to conceptualize and design products.
- Leave your "paw" print with a project designed to make a true impact on the business.
- Present your recommendations and innovative ideas to PetSmart leaders.
- Develop and grow your skills with the support of a caring manager and dedicated mentor.

What's in it for you?
- 10-week paid summer internship!
- Connect and socialize with other PetSmart associates early in their career as part of the StartSmart associate resource group.
- Make a difference! Volunteer with your fellow interns during the annual "PetSmart Interns Give Back" day.
- Pet friendly environment, bring your pets to work!
- Enjoy our campus amenities: "Top Dog" gym fitness center, Dog park, Starbucks station, Sit&Stay Café.

What will you need?
- Junior status pursuing a Bachelor's degree in Fashion Design, Industrial Design, Textile Design, or other related discipline.
- Focus on Print Design.
- Highly organized, detail-oriented, and knowledge in retail market trends.
- Excellent written and verbal communication.
- Must be able to produce work in a collaborative, team environment.
- Proficiency in MS Word, Excel, and PowerPoint is required.
- Proficiency in Adobe Illustrator, Photoshop, and InDesign on a Mac platform is required.
- Previous retail industry experience is always a plus!
- Portfolio of work will be required.

What are you waiting for? Apply today and use your passion for pets to jumpstart your career! For more information on opportunities with PetSmart, visit us at careers.petsmart.com.
