

**Are you looking for a fun and rewarding summer internship?** At PetSmart, we are committed to developing future business leaders. Join our **Services** team this summer and thrive in a collaborative culture where being the trusted partner to parents and pets in every moment of their lives is priority number one.

**What will you do?**

- Experience the Services function of the leading pet specialty retailer firsthand as you work with a team of project managers to develop effective customer engagement strategies.
- Leave your “paw” print with a project designed to make a true impact on the business.
- Present your recommendations and innovative ideas to PetSmart leaders.
- Develop and grow your skills with the support of a caring manager and dedicated mentor.

**What’s in it for you?**

- 10-week paid summer internship!
- Connect and socialize with other PetSmart associates early in their career as part of the StartSmart associate resource group.
- Make a difference! Volunteer with your fellow interns during the annual “PetSmart Interns Give Back” day.
- Pet friendly environment, bring your pets to work!
- Enjoy our campus amenities: “Top Dog” gym fitness center, Dog park, Starbucks station, Sit&Stay Café.

**What will you need?**

- Junior status pursuing a Bachelor’s or Master’s degree with a focus in Business, Marketing, Communication, or Strategic Planning.
- Solid critical thinking ability; analytical skills are highly utilized in this role.
- Ability to leverage data to develop and drive clear vision and strategy.
- Excellent written and verbal communication.
- Must be able to produce work in a collaborative, team environment.
- Proficiency in MS Word, Excel, and PowerPoint is required.
- Previous retail industry experience is always a plus!
